Inteligentnego  
Rozwoju**

## **TERMS AND CONDITIONS**

## **§1**

### **Organisation, mission and idea of the award**

1. The organisers of the image programme to select the winners of the Award "Leader of Intelligent Development" 2024 are: Centre for Intelligent Development S.C. and the Intelligent Development Forum Foundation. The role of Substantive Partner is played by the Silesian Centre for Business Ethics and Sustainable Development at the Silesian University of Technology. Media partner and co-organiser is the editorial team of the portal and thematic section "Rzecz o Innowacjach", which is part of the Intelligent Development Centre.
2. The objective of the award is to appreciate and popularise information on authors, implementers of social and technological innovations and innovative investments. The implementation of the objective is carried out through the organisation of the Gala of the Awards of the Intelligent Development Forum with the participation of nationwide media, and at it awarding a statuette and a certificate to people whose work falls within the The goal is realised through the organisation of the Intelligent Development Forum Awards Gala with the participation of nationwide media. based on knowledge, while actively promoting and communicating their activities to the entire society. The award recipients are ambassadors of a pro-innovative and pro-social way of thinking - the best examples of people who contribute to smart development to smart growth.
3. The idea behind the Award is to seek out, discover, recognise and publicise individuals who are pursuing innovative, cutting-edge projects and whose work and the results of their endeavours may result in positive changes for society and the economy in the near or distant future.

## **§ 2**

### **Course of the award**

1. The Programme is open to individuals who meet the requirements for achieving the Award Objectives referred to in §1.2.
2. The Participant is obliged to complete and send by e-mail or post the verification questionnaire provided by the Organiser, within 7 days of receiving the electronic confirmation of the Prize Nomination.
3. The participant declares that the personal data, data of the represented entity, opinions and image of the participant presented in the survey may be processed for marketing, information, documentation purposes, etc. by the Organiser of the prize, in particular by placing personal data on the Internet, e.g. on the Organiser's website, on the Organiser's social portals/profiles, in the Organiser's printed marketing materials throughout the period of publication of such materials and throughout the period of information and marketing communication and documentation activities on the Internet.

4. Nominations are decided by the Organiser and the Media Partner of the award.
5. The organiser will select the award winners from among the nominees on the basis of data from the verification questionnaire and information from the audits of media partners. The recommended persons are evaluated by the Chapter appointed by the Organiser. The Organiser reserves the right to make final decisions regarding the selection of the Laureates, as well as the awarding of honorary prizes.
6. Procedura The verification procedure shall include an analysis of the entire scope of the participant's activity - in issues related to the implementation of research and development projects, investment projects using EU and national funds as well as own funds, implementation of innovative solutions and meeting the needs of local communities. Each time, the aspect of reaching the widest possible public with the project through national media and events devoted to socio-economic issues is taken into account.
7. By joining the programme, participants consent to the processing of their contact details for the purposes of the programme to access and correct their data and the right to object, which must be notified to the organisers. Participants agree to the use of the winners' logos for information and promotional purposes of the prize.
8. The list of prize-winners and commended participants will be made public on the Award Organiser's website.
9. The winner of the prize acquires the rights to use the Logo of the Leader of Intelligent Development (retaining the designation of the year in which the title was awarded) for his/her own promotional and marketing purposes, i.e. in his/her own publications, on promotional materials, banners, headquarters, etc. The winner is not obliged to inform the organiser about the use of the logotype.
10. Interference with the Leader of Smart Growth logo is not permitted.

### **§ 3**
